GEN. & REV. SEC. 27 APR 36 L.B. & Rural

Sir,

I have the honour to state that the requisition No.233 dated 11-1-36 of the President, Municipal Council, Bowringpet to meet ⅓ cost of repairing charges of the Musafirkhana at Bowringpet Town, by the District Board, was placed in the meeting of the District Board held on 19-3-36 and it has been resolved that the control and management of the Building may be resumed by the Board.

2. The Musafirkhana Building originally belonged to the Taluk Board and on its abolition and in view of the then existing facilities to the Travelling public, the maintenance of the Building was recommended to be made over to the Municipality. Accordingly the Government were pleased in their order No.L.8043 L.B. 90-24-11 dated 9-5-35 (copy of it is enclosed for reference) to accord sanction to the proposal of the Board.

3. Ever since the transfer of the T.B. at Bowringpet for location of the Municipal High School, the travelling Public have been keenly feeling for a halting place at Bowringpet since the musafirkhana is not being maintained in the proper manner by the Municipality owing obviously to limitations of finance.

4. Under the circumstance as the District Board is desirous of resuming back the maintenance etc., of the Building I request that the sanction of Government may kindly be obtained to the resolution of

of the Board.

A copy of the resolution is enclosed.

I have the honour to be
Sir,

SIR,

With reference to your letter No:L.8879/L.B.29-35-90 dated the 20th May 1936, requesting me to obtain and forward the views of the Bowringpet Municipality, in regard to the resumption of - management of the Musafirkhana at Bowringpet by the District Board, Kolar, I have the honor to forward herewith, copy of resolution of the Bowringpet Town Municipal Council passed at their meeting held on 28th June 1936 together with the copy of letter No.: D.3/36-37 dated 19th August 1936 from the Amildar of Bowringpet in the matter. I inspected the building about ten days ago and found that the - Municipal Council have not equipped the building with the necessary furniture and utensils. A caretaker on Rs.10/- per mensem is appointed and the cost on this account is Rs.120/- per annum. The revenue realised from the occupation of the building by the visitors is very small and is dwindling from year to year (Vide details in the margin). The amount does not -- cover even a portion of the caretaker's pay. In addition to this, charges for the maintenance of the building will have to be incurred. The Municipal Council have not given any reasons for their decision and I do not see any advantage to the Municipal Council by retaining the building in their control. As they have not been satisfactorily maintaining it and as the transfer of control of the building to the District - Board will relieve the strain on the Municipality, I am of opinion that the musafirkhana building may be handed over to the District --

Letter No:D.3/36-37 dated 19th August 1936 from the President, Municipal Council, Bowringpet, to the Deputy Commissioner Kolar District, Kolar

****

In connection with the handing over of the management of the Musafirkhana at Bowringpet to the District Board, I have the honor to state that at present the musafirkhana is not provided with proper furniture and necessary vessels etc.,. Only one peon is kept to look after the building and to attend to travellers. He is paid Rs.10/- per month. To attend to the annual repairs of the building necessary funds will have to be provided. If these requirements are not given, the musafirkhana will not be convenient to the public.

The average annual income is only Rs.50/- at present and the income is on the decrease every year.

In my personal opinion I am inclined to think that it is better to hand over the management etc., to the District Board and I have furnished this information as directed.
